Installation	3
Manage Background	6

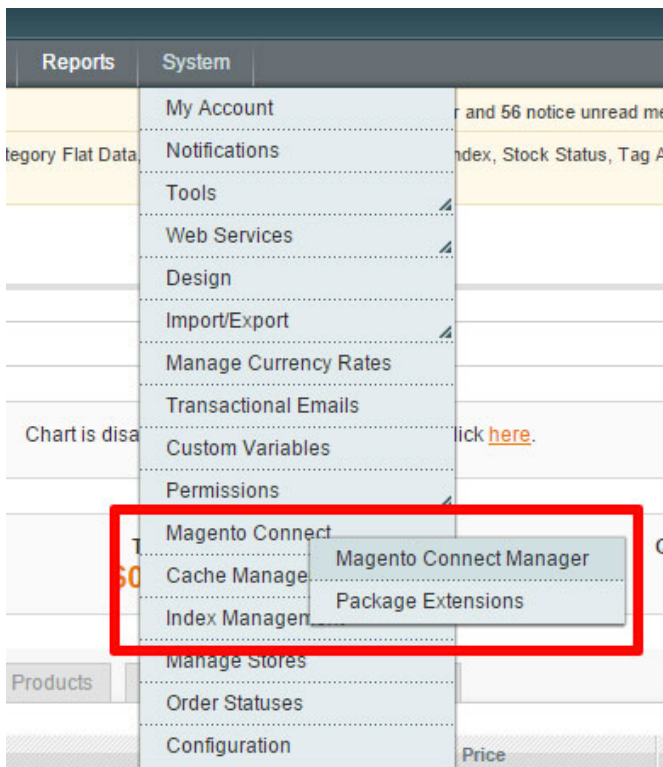

1.1 Installation

a. Get the installation key: Click on “Install Now” button and you will get your installation key.

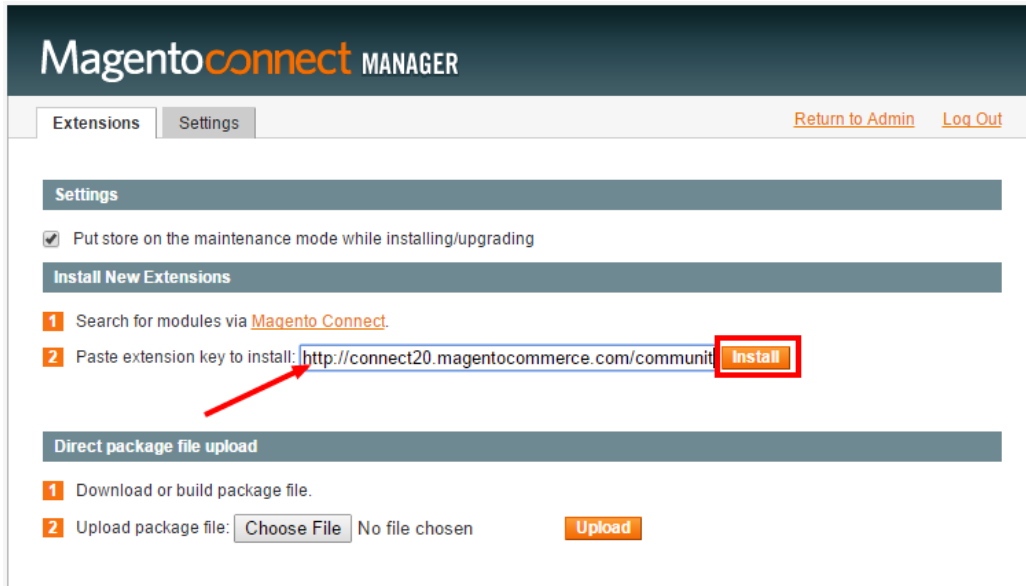

The screenshot shows the 'Background Uploader' extension page on the Magento Marketplace. The extension is by Cybernetikz and has a 3.6/5 rating with 248 popularity score. It is compatible with Magento versions 1.5, 1.6, 1.6.1, 1.6.2.0, 1.7, 1.8, 1.8.1, and 1.9. The platform is set to 'Community'. A red arrow points to the 'Install Now' button, which is labeled 'FREE'.

b. Now go to Magento Connect Manager from your admin panel.

The screenshot shows the 'System' menu in the Magento Admin Panel. The menu items are: My Account, Notifications, Tools, Web Services, Design, Import/Export, Manage Currency Rates, Transactional Emails, Custom Variables, Permissions, Magento Connect, Cache Manager, Index Manager, Manage Stores, Order Statuses, and Configuration. The 'Magento Connect' menu item is highlighted with a red box, and its sub-menu is open, showing 'Magento Connect Manager' and 'Package Extensions'.

C. Paste your installation key under “Install New Extensions” here and click on “Install”.

Magentoconnect MANAGER

Extensions Settings [Return to Admin](#) [Log Out](#)

Settings
